26 June 1955

Dr. Robert L. Johnson
President
Temple University
Philadelphia 22, Pennsylvania

Dear Bob:

Many thanks for your note of 21 June with respect to certain Chinese characters. It so happens that we are in quite close touch with the situation to which your correspondent refers and I am glad to have this additional information.

Also I have your letter about Merson's book and here I think I should defer comment until I have seen what he has to say. It was good to hear from you.

Sincerely,

Allen W. Dulles
